Virginia Rodríguez Vidal

Virginia Rodríguez, profesora de la [Escuela Joan Salvat Papasseit](#) de Santa Coloma de Gramenet, hace un recorrido por los diversos blogs que han puesto en marcha en su centro. En ellos llevan a cabo atractivos y variados proyectos educativos, también han creado una [Radio Escolar](#) para fomentar la expresión oral y escrita de los alumnos.

Somos la Escuela “Joan Savat Papasseit” de Santa Coloma de Gramenet, una escuela pública de infantil y primaria. En el Salvat somos conscientes de la importancia de las competencias básicas y hacemos que nuestros alumnos tengan a su alcance herramientas de la web 2.0 para desarrollarlas de la manera más adecuada. Hemos apostado por hacer competentes digitalmente a nuestros alumnos mediante los blogs.

Los blogs ofrecen muchas posibilidades en el proceso educativo y os queremos hacer partícipes de nuestras experiencias. Hace cuatro cursos empezamos con la creación del primer blog, que inauguramos con motivo del 25 aniversario de la escuela, nuestro querido [Escola Joan Salvat Papasseit](#) de Santa Coloma.

El 29 de Abril del 2011 he ido con mi hijo al Sant Jordi i he comprat un llibre, el llibre "Els primers i segons" de Patricia Matola.

The book cover features a watercolor illustration of three stylized figures in a landscape. One figure is wearing a tall black hat and a red and white striped shirt, another is in a red shirt and black skirt, and a third is in a blue and white striped shirt. They appear to be holding up a large, dark blue, irregular shape. The title 'Els Primers i segons' is written in red cursive at the top, and 'del Salvat' is in blue cursive at the bottom. The author's name 'Patricia Matola' is in the bottom right corner. The background is decorated with colorful mushrooms and leaves.
