

Durante los días 30, 31 de enero y 1 de febrero, se celebró en la ciudad insular de [Telde](#) un encuentro del profesorado implicado en el proyecto “[Unidos por las TIC](#)”, nuestra primera [agrupación entre centros educativos de distintas comunidades autónomas](#), aprobada por el Ministerio de Educación y Ciencia para desarrollar, durante dos años, entre el [IES Bajo Guadalquivir](#) de Lebrija (Sevilla) y el [IES Lomo de la Herradura](#) de Telde (Las Palmas).

On the 1st of February 2015, the "Unidos por las TIC" project was presented in the Canary Islands. The project is a joint initiative of the Spanish Government and the Canary Islands Government, aimed at promoting digital literacy and the use of Information and Communication Technologies (ICT) among the population. The project is part of the "Plan de Empleo Juvenil" (Youth Employment Plan) and is coordinated by the Ministry of Education, Culture and Sports. The project is implemented by the Canary Islands Government, through the Department of Education and Training. The project is aimed at young people aged 16 to 25, who are unemployed or at risk of unemployment. The project consists of a series of workshops and courses, which are designed to help young people develop their digital skills and learn how to use ICT in the workplace. The project is a key part of the government's strategy to reduce youth unemployment and promote economic growth.
