ACTIVITY 3. -

I AM A ROBOT.-

Hello. My name's Bott, Robert Bott. Some people call me Rob Bott, but my friends call me Robbie. I'll tell you some things about me.

I was born (er... built) in Newtown in 2060; it is now 2153, so I am 93 years old. I live in a flat in a floating building, not far away from my office. I work as a counsellor at a marriage bureau. I like my job a lot; making matches and combinations is fun for a robot (er ... a humanoid).

This is a normal day in my life...

I usually get up at half past six. Then I have an oil bath and polish my metal body. This takes me almost an hour.

After that I go to work by taxi. I work from nine in the morning until five in the afternoon, but I have an hour's break for lunch (er... to reload my solar batteries). I have a very interesting hobby: I collect old clocks and watches, so after work I go for a walk and sometimes visit antique shops. I usually get home by quarter to seven. I spend around two hours every day repairing and cleaning my clocks and watches.

Then I have a shake made of lubricants for dinner. Finally I go to bed (well... I switch myself off to prevent a short-circuit).
