Your new pen pal has written a letter to you. Write back to her giving the information she asks for:

Hi,

I am Sue Parker and I'm from Macclesfield, a town near Manchester. I study at the local school with my best friends, Lynn and Tom. My favourite subjects are Physical Education and Maths but I hate French and playing the flute. What are your favourite subjects?

I usually get up at 7 and have orange juice and tea for breakfast. Then I prepare my packed lunch and take the bus to school. I start school at 8.30 and stop for lunch at 12. I have a sandwich and an apple for lunch. I get back home at 4 and do my homework for about two hours. Then I help my father in the garden but I don't like cooking. On Mondays and Thursdays I go to the swimming pool in the afternoon. We have dinner at 7 and then I sometimes watch TV or read a book until 10. Then I go to bed. What do you do every day?

Last Sunday I went with to Anfield Park in Liverpool with Tom and Lynn. I am a supporter of Manchester United and they played against Liverpool. Rooney was great but Torres was also fantastic. We lost 1-0. What did you do last weekend?

Now, my sister Mary is playing videogames and my mother is washing the car. Mary is older than me but I am a better student than her. Have you got any brothers or sisters? Tell me about your family.

Hope to hear from you.

Bye,

Sue
