

## **3rd ESO TEAM STARTS A NEW ADVENTURE: “THE ACER TABLET PROJECT”.**

Have your student book, your TABLET with full battery and everything you need for my class, ready on the table. From now on, your TABLET is your computer so, open your vocabulary list in a work document, name it and keep it open the whole class to write all expressions you do not know.

### **1. CLASS BEGINS WHEN THE BELL RINGS.**

### **2. PARTICIPATION. +/-**

- ✓ MARK YOUR HANDS
- ✓ VOLUNTEER (TO READ, TO GIVE AN EXAMPLE, ETC)
- ✓ ASK QUESTIONS
- ✓ RESPOND TO QUESTIONS
- ✓ EXTRA ACTIVITIES ( BLOG COMMENTS, E-LEARNING)
- ✓ TRANSLATOR

Every lesson, you can collect a plus for good participation, if you do the things listed above. If you do not do the tasks or if you talk about things that do not belong to the class, if you never talk in class, you will get a minus. Only people who participate will get a good grade!!!

### **3. VOCABULARY LIST. +/-**

Write down all the vocabularies I write on the board in your vocabulary book. Also write vocabularies from homework or exercises in your vocabulary book. Once a week I will check them and you will get a plus or minus for it.

### **4. DO YOUR HOMEWORK. +/- 1JOKER.**

If you do your homework really well, you can get a plus, if you forgot to do your homework, you will get a minus. You have 1JOKER: this means that one time in the next weeks it is okay not to do the homework.

### **5. DISCIPLINE.**

- ✓ RESPECT OTHERS
- ✓ LISTEN TO CLASSMATES WHEN THEY TALK
- ✓ BE QUIET WHEN THE TEACHER TALKS
- ✓ IF YOU WANT TO SAY SOMETHING, MARK YOUR HAND
- ✓ RESPECT THE INSTRUCTIONS WHEN USING YOUR TABLET.

Our class is like a football field. I want a FAIR GAME. This means that I want a normal noise level in class. I do not want to lose time with telling you to be quiet all the time. This means that when one person is talking, You have to be quiet: NO COMMENTS, neither in English nor in Spanish. If you want to say something, you can do this by marking your hand.

Listen to others and participate. If you are disturbing, or you are not using your computer properly you will get

- The yellow card.
- The red card.

**ONLY TOGETHER, WE CAN REACH OUR GOAL!!!**
